Prof. Dyche on Alaska. The Great Bend band has arranged

for two lectures by Prof. Dyche, of the State University, on his travels in Alaska, to be held in the opera house

March 7th, at 3:30 and 8 p. m. Admission to the afternoon matinee 15 and 25 cents; to the evening lecture 25 cents, with 10 cents extra for reserved seats. Prof. Dyche's lecture is spoken of as deeply interesting. He is a speaker who has a most wonderful personal attraction for an audience, and none should miss the opportunity of hearing him. The prices are exceed-

ingly reasonable. An exchange asks and answers this question: "Why are Jews so successful in business? They have a babit of attending more to their own busi-

ness than that of any one else: they look to their own efforts and not to the law for their own success: they educate themselves from youth in their calling and stick to it they are liberal in using printers ink.
